

**Minimum odours level**

- Point 1 – above aeration tank**  
Odours within the lower perception threshold
- Point 2 – radius 50 m**  
 No odours.

**Low noise compressors**

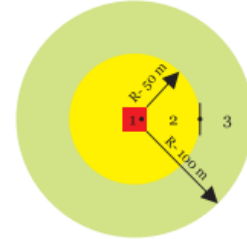

Noise level < 45 Db in radius of 10 m

**Low noise pumps**

Noise level < 40 Db in radius of 3 m

**SANITARY SAFETY**

**Minimum emissions of hazardous air pollutants**

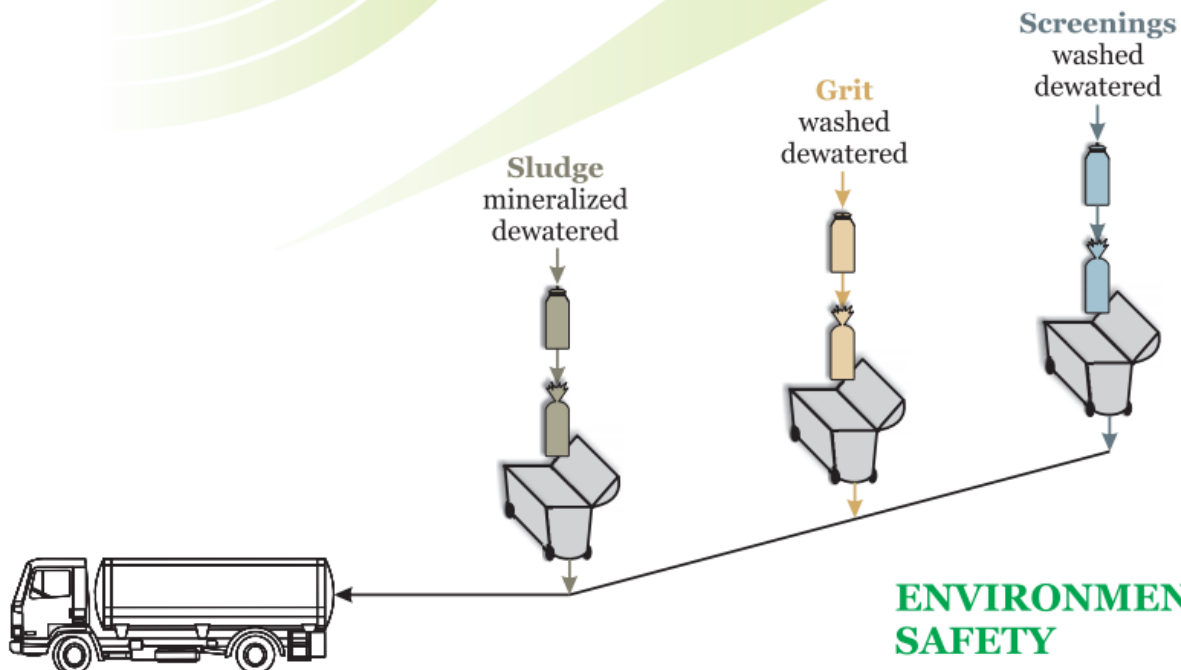

- Point 1 – above aeration tank (working area)**  
Emissions < MPCs\* for working area
  - Point 2 – radius 50 m**  
Emissions < momentary MPCs\* for residential areas
  - Point 3 – radius 100 m**  
Emissions < daily average MPCs\* for residential areas
- \* MPCs - minimal permissible concentrations

**ADVANCED TREATMENT PROCESS**

**SUSTAINABLE SOLUTIONS**

**ENVIRONMENTAL SAFETY**
